

Our Lady of Fatima Convent School Assarpur -Budhanpur Patiala

Holiday Homework for Grade 2

Dear Parents,

Summer holidays are around the corner. Despite the hot sun, we can still have a lot of fun, so vacation is here for a sweet treat. In order to enhance the children's creativity and innovation for the progressive learning, Our Lady of Fatima Convent School has designed a few engaging activities and holiday homework. Help your children to do it:

Morning Blessings- Help your children to inculcate good habits by doing, "Surya Pranam" and encourage them to greet all elders in the morning.

Fun in knowing- Tell the children about your childhood, share incidents from the past and show them your old family albums.

This will strengthen the bond between you and your children.

Edit with WPS Office

Fun with books- Encourage your children to read books with suitable morals Have walk together and talk to your children about what are their likes and dislikes etc.

*Help your children to memorise your home address and contact numbers.

*Learn three new words form dictionary daily.

Computer

1. Model of Different Places Where Computers Are Used (Roll No.36)

Materials: Chart paper, pictures (printouts or drawings), glue, markers.

Steps:1. Divide the chart into sections: Home, School, Office, Hospital, etc.

2. Paste pictures or draw each place with a computer setup.
3. Label each section and write a short description of how computers are used there.
4. Decorate with borders or stickers.

2. Model on Monitor and LCD (Roll No. 37)

Materials: Cardboard, colored paper, markers, plastic sheet (for the screen), glue.

Steps: 1. Cut a rectangular piece of cardboard to resemble a monitor screen.

2. Cover the screen area with a plastic sheet to make it look like a display.
3. Label it "Monitor" and "LCD" on each side.
4. Use colored paper to make buttons and other details.
5. Write the differences between Monitor and LCD on a small

card and attach it.

3. Model on Input Devices (Roll No. 38)

Materials: Clay, cardboard, markers, small objects (like old keys or buttons).

Steps: 1. Create small models of a keyboard, mouse, microphone, and scanner using clay.

2. Mount them on a cardboard base.

3. Label each input device.

4. Write a brief description of each input device and its function.

4. Model on Output Devices (Roll No. 39)

Materials: Cardboard, clay, colored paper, markers.

Steps: 1. Make models of a printer, monitor, and speaker using clay or cardboard.

2. Arrange them on a board and label each one.

3. Write a brief note on how output devices display or print information.

5. Model on Storage Devices (Roll No. 40)

Materials:

Old CDs, pen drives, cardboard, markers.

Steps:

1. Arrange old CDs, a pen drive, and a small cardboard box (as

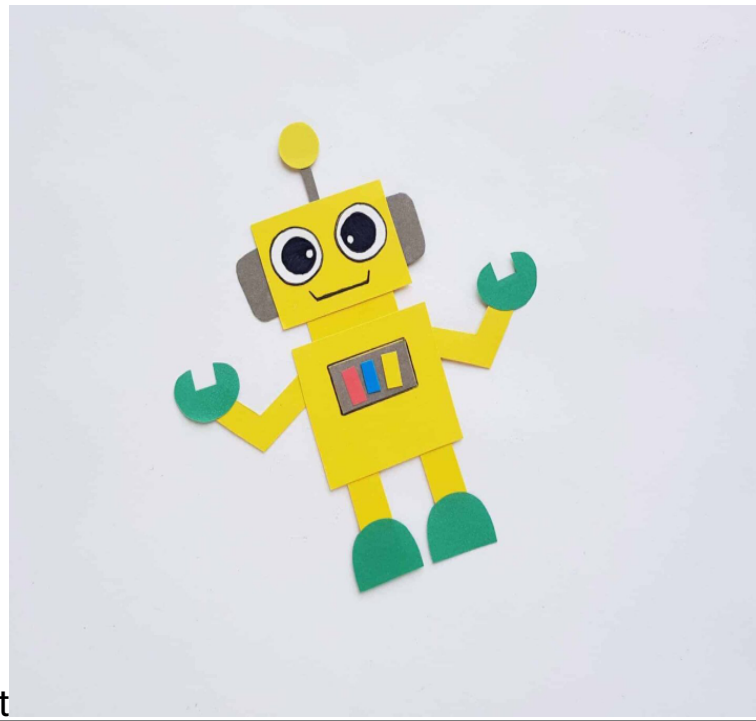

Edit with WPS Office

a hard drive) on a board.

2. Label each item as "CD/DVD," "Pen Drive," and "Hard Drive."
3. Add a small note explaining that storage devices save data.

Robotics

For all students

Paper Robot

Take some colourful chart paper.

Cut it as shown in the figure.

Use sketch pen to draw eyes and mouth and decorate it.
