

SCHOOL REPORT SESSION 2024-2025

Our esteemed chief guest this evening, Er. Gurkaran Singh, our esteemed guest of honour, Er. Rohit Singla, dear Fathers, Sisters, Parents and well-wishers. Greetings to each one of you. Your presence adds a special spark to this occasion.

A School should be a hallowed sanctuary of knowledge where education is a revered art and students embark on a quest for truth, illuminating their minds and shaping their destinies. This is exactly what Our Lady of Fatima Convent School stands for.

A few words to introduce our school to you all.

ORIGIN OF OUR SCHOOL

Our Lady of Fatima Convent School, is an unaided Christian Minority Educational Institution. It was established in the year 2016 and is administered by the Sisters belonging to the Congregation of Franciscan Clarist Missionaries of the Most Blessed Sacrament, founded by Mother Seraphina in 1898. The School is registered under the Seraphina Educational Society of the Dehradun Province.

MISSION OF OUR SCHOOL

The mission of our School is to provide a holistic education that nurtures the intellectual, spiritual and emotional growth of each student. We are committed to fostering a supportive and inclusive environment where students can develop critical thinking skills, creativity and a sense of social responsibility. Mother Seraphina also stressed the duty of the parents to create a family atmosphere inspired by **love, respect, obedience and devotion to God which will promote integrated personalities.**

We bow before the almighty for the bountiful blessings that has helped this institution to grow in capacity, ability and commitment to the society.

This Annual Report brings to light everything that the School has achieved collectively as an Institution and celebrates the achievements of its students during this past year. **Now I would like to call upon Ms. Harsimrat Kaur and Ms. Sakshi Batta to lead us with some glimpses of the past year.**

DEVELOPMENT WORKS

Development works in school are crucial for fostering a well-rounded educational environment. These initiatives go beyond traditional academics, encompassing various aspects such as physical, social, and emotional growth. So by integrating developmental works, school not only nurtures academic excellence but also contributes to the holistic development of students.
